This offer should be accepted without delay.

The days are gradually lengthening.

Our beautiful (?) side-walks were snowed under Monday.

Deputy Sheriff Pieratt closed the store of Wm. Clark on attachment on Monday last.

Robt. J. McLin left Monday for Torront on a business trip, and will be absent for a week or two.

Willie Pieratt is at Ezel visiting his brothers Jim and Silas, who are here on a visit from Texas.

J. L. Booker, insurance agent of Richmond, committed suicide by taking carbolic acid, last Thursday.

Dr. Andy Nickell was summoned by telephone on Tuesday night to Maytown to see Harve Nickell, who was said to have fever.

Prof. Cord, Hon. W. O. Mize and John M. Rose availed of the freeze Monday and filled their ice houses with ice about 5 inches thick.

J. T. Day shipped his planer to Maytown Wednesday, where Mr. Curtis, the machinist, will thoroughly repair it and bring back and set it up here.

Miss Lula Strong, of Jackson, who is visiting Dr. John Taulbee and family, accompanied by Miss Callie, paid THE HERALD office a very pleasant call Wednesday.

John M. Rose last week shipped from Glencairn two car loads of walnut timber, 54 logs, which go to Liverpool, England. Jack Scott, of Daysboro, had about 5,500 feet in the shipment.

The following fourth-class postmasters for Kentucky were appointed December 27th: Caledonia, Trigg county, W. M. Woodington; Isomville, Elliott county, Thos. J. Mason; Halcum, Elliott county, J. E. Johnson.

F. A. LYON, JR.,

There have been poultry books printed costing fifteen dollars and more, but there never has been one at any price with more beautiful colored reproduction of poultry, than those found in Biggle Poultry Book, an announcement of which appears in another column. The paintings were made direct from best birds of the different breeds, and the coloring and characteristic shape of each breed are perfect. As for the text, there never was a book printed containing more practical, level-headed information. Its chapters include, "Eggs for Hatching," "Hatching the Eggs," "Care of Chicks with Hens and Brooders," "The Successful Care of Incubators," "The Farmer's Flock," "The Village Hensery," chapters on "Breeds," "Fattening and Marketing" and "Diseases and Remedies," with the old and new school methods of treatment. One man wrote the publishers that "The mottoes alone at each chapter heading were worth the cost of the book." Twenty thousand copies of this admirable work have been printed. See advertisement of The Biggle Book in this week's issue of THE HERALD. The price of each is 50 cents, free by mail; address the publishers, Wilmer Atkinson Co., Philadelphia.

The following good joke is on John Rose, our popular blacksmith. Thrasher Combs was here Friday last, and wanting his mare shod sent John D., the colored hostler at Pieratt's stable, after Mr. Rose, who said he would be up as soon as he got dinner. The boy returned and put Mr. Combs' mare in the stable, and in the meantime Wiley Perkins rode his black mare into town and hitched her near the blacksmith shop. Mr. Rose came up town and seeing Mr. Perkins' mare, which is quite like Mr. Combs' animal, he went to work and shod her. It is needless to say that Thrasher's animal went shoeless, and the question now is, who is responsible to Mr. Rose for shoeing Mr. Perkins' animal.

C. E. French closed his second years labor with the church at Salt Lick, Bath county, Christmas week. Besides always paying his salary in full, the church showed their appreciation by sending to him and wife a large box just before Christmas, consisting of preserves, canned fruits, staple groceries, etc., but space is too limited to give names of donors or enumerate the articles. Suffice that it comprised everything good to eat and was in profusion. To say that they received it gratefully is putting it very lightly indeed. In many other ways have members of the church manifested their love in the first two years. The people at Salt Lick know how to treat a preacher.

I want to let the people who suffer from rheumatism and sciatica know that Chamberlain's Pain Balm relieved me after a number of other medicines and a doctor had failed. It is the best liniment I have ever known of.—J. A. Dodgen, Alpharetta, Ga. Thousands have been cured of rheumatism by this remedy. One application relieves the pain. For sale by J. T. Day, Druggist.

Weed Hall, who was shot sometime in October by Marlon Toliver, and who two weeks ago today was removed to the residence of his brother Tom, on Lacy creek, died Wednesday night. Toliver, who has been on bond pending result of Hall's wound, was served with a new writ, but with what result we have not learned as we go to press.

William Howard DeBusk, of Paragon, Morgan county, and Miss Mary Smith, of Lagrange, Ky., were married on Wednesday, Dec. 27th, at the residence of the bride's parents. THE HERALD extends congratulations to Howard and his bride, and wishes for them a prosperous and happy future.

Blood and Nerves are very closely related. Keep the blood rich, pure and healthy, with Hood's Sarsaparilla and you will have no nervousness.

Hood's Pills are best after-dinner pills, aid digestion, prevent constipation.

Monroe Nickell, who has lived on the Jim Nickell fork of Grassy, Morgan county, nearly or quite all his life, last week moved to town and occupies the property of F. M. Long, in Dickville, a suburb of Hazel Green.

Moody Lacy, who enlisted in the Twenty-second United States infantry in December, 1898, and who was sent to the Philippines for service, is at home awaiting his final discharge. Owing to failing health he was sent from the Philippines in the early summer of last year to the general hospital at San Francisco, where he has been ever since. He will receive his discharge soon on account of disability, and henceforth try the life of a civilian.

Mrs. J. H. Amyx, of Hazel Green, Ky., is here visiting her two sons, Dr. J. S. and C. B. Amyx. C. B. Amyx, of this place, bought of James Crawford, of Merwin, two fine jacks for which he paid in the neighborhood of \$1500.—Amsterdam (Mo.) Breeze.

John B. Davis left Sunday morning for Frankfort, where he is a witness in favor of Milburn & Son, in their suit against Magoffin county, which is on trial in the United States court. Milburn & Son are the contractors who built the Magoffin county court house, and their claim has never been adjusted.

Hon. Joseph P. Rose, representative of this district in the general assembly, which convened on Tuesday, left Saturday for Frankfort.

A GREAT record of cures, unequalled in medical history, proves Hood's Sarsaparilla possesses merit unknown to any other MEDICINE.

A little boy, aged about 2 years, son of Mrs. Fronie Nickell, died on Wednesday, December 20th.

Over-Work Weakens Your Kidneys.

Unhealthy Kidneys Make Impure Blood.

All the blood in your body passes through your kidneys once every three minutes.

The kidneys are your blood purifiers, they filter out the waste or impurities in the blood. If they are sick or out of order, they fail to do their work. Pains, aches and rheumatism come from excess of uric acid in the blood, due to neglected kidney trouble.

Kidney trouble causes quick or unsteady heart beats, and makes one feel as though they had heart trouble, because the heart is over-working in pumping thick, kidney-poisoned blood through veins and arteries. It used to be considered that only urinary troubles were to be traced to the kidneys, but now modern science proves that nearly all constitutional diseases have their beginning in kidney trouble.

If you are sick you can make no mistake by first doctoring your kidneys. The mild and the extraordinary effect of Dr. Kilmer's Swamp-Root, the great kidney remedy is soon realized. It stands the highest for its wonderful cures of the most distressing cases and is sold on its merits by all druggists in fifty-cent and one-dollar sizes. You may have a sample bottle by mail. Home of Swamp-Root, free, also pamphlet telling you how to find out if you have kidney or bladder trouble. Mention this paper when writing Dr. Kilmer & Co., Binghamton, N. Y.

COUNTY NEWS NOTES.

To insure insertion ALL correspondence must be in this office by Monday night of each week, and that nearby on Monday morning.

Our correspondents are derelict in duty and we want to say that henceforth they will not receive papers except for the week they have news letters. We are dependent upon them for the news and when they fail to send in their favors they put us to great inconvenience.

CAMPTON SPARKLES.

A Happy New Year to THE HERALD!

Mrs. Judge Joe C. Lykins was on the sick list for the past week.

Constable Henry Campbell is the first here to venture sleighing.

Kiser Wilson, of Mt. Sterling, was in town on business last week.

Dr. W. H. Tutt was in Breathitt last week on professional matters.

Mrs. Vancleave has returned from Wisconsin to her son Carter Vancleave.

John C. Tolson was confined to his home several days last week by sickness, but is up and about.

Deputy Sheriff Richardson, of Montgomery county, was here on business the latter part of last week.

Several new pupils have been passing through town from Torment to enter the Hazel Green Academy.

Prof. Bishop expects an increased attendance at the K. W. A. after the holidays over that the same time last year.

Misses Alice and Emma J. Horton, and Newt Horton and wife, of Bear Pen, spent the holidays as guests of the latter's mother, Mrs. Emily J. Byrd.

Deputy Marshals Wm. Stamper and Howard Wilson, of Montgomery county, arrived at the Combs House Saturday night for business in the county court.

Deputy Collector M. F. Horton returned home Saturday night from Hindman where he is stationed and went to Frankfort, Monday on business.

W. P. Norris, who was expected to move the Bugle outfit to Walnut Grove last week to publish a paper, has abandoned the same for the present, and leaves for Cincinnati this week on business and a visit to his mother and sisters. After which he will return and put into execution the contemplated newspaper project.

The series of sermons delivered in the Methodist revival here by the Rev. Mills, of Jackson, have been attracting immense crowds, and they denote the speaker to be a man of fine ability, and an able exponent of the bible. His sermons are practical and leave indelible impressions on his auditors, as well as effectual in bringing the unrighteous to their sensibilities of their situation, and leading them into the paths of good citizenship, church fellowship and Christian devotion.

Ere the publication of our correspondence the joint public installation of officers of the Campton Mason and Odd Fellow lodges will have taken place here, being on Monday, January 1, 1900. Preparations are being made at this writing by the good house-wives of the various local members for a sumptuous dinner, consisting of all known to the culinary department to be spread gratuitously to all. Invitations have been extended to the Torrent, Maytown and Hazel Green lodges to be present, and they are expected in full bodies as conspicuous participants in this laudible feast and exercises. The address to the Masonic fraternity will be delivered by one high up in degrees in the person of that grand worker in all good human causes, Rev John J. Dickey, and it is simply an extra verbiage to say the subject from his lips will be handled well, interesting, entertaining and instructive. Our own Hon. A. H. Stamper, whose voice will certainly be heard in the next congress, as one of the brightest Odd Fellows in this section, will address that order in his usual characteristic forcible way, and to the supreme edification of all present. The gathering is expected to pass off most harmoniously and successful in every manner.

Rev. J. J. Dickey, pastor of the Methodist church here, will launch something in January to be printed elsewhere, but headed "Campton," a 4 page, 3 column religious journal to be known as the "Mountain Messenger." Aside from religion it will also be devoted to education, and the name of Bro. Dickey being so synonymous with the advancement of religion and education, and with his versatility as an editor, bespeaks for the new candidate for public favor an unbounded success, and healthy reinvigoration of the theories and qualities so contributory to good society throughout all the mountains of Kentucky.

The following was said of our candidate for congress in last week's Frenchburg Agitator: "A. Howard Stamper, of Campton, has announced himself a candidate for the Democratic nomination for congress in this district. Howard is a mixer, and rendered yeoman service for the party in the past campaign. It being too early in the action to make predictions. The Agitator can only say that if no one from this county makes the race it will be a hard matter to instruct Menefee against Stamper."

Clay Hollon, one of our best young teachers, has matriculated in the Lexington Business College. With Clay's already good business qualities, the training in the future will land him as one of our most successful.

The January Term of the Wolfe Circuit Court draweth near, and our lawyers are very active in the preparation of their cases. Sheriff Combs is one of the busiest men in the collecting delinquent taxes.

Rev. Dickey filled an appointment at Jackson Sunday in the stead of the pastor there, Rev. Mills, who was holding the series of meetings here for Bro. Dickey.

Herald Pieratt, of Hazel Green, spent the holidays with his grandfather, S. S. Combs, and was quite an accomplished clerk in the store during the busy moments.

Having a Great Run on Chamberlain's Cough Remedy.

Manager Martin, of the Pierson drug store, informs us that he is having a great run on Chamberlain's Cough Remedy. He sells five bottles of that medicine to one of any other kind, and it gives great satisfaction. In these days of la grippe there is nothing like Chamberlain's Cough Remedy to stop the cough, heal up the sore throat and lungs and give relief within a very short time. The sales are growing, and all who try it are pleased with its prompt action.—South Chicago Daily Calumet. For sale by J. T. Day, Druggist.

Coughed 25 Years.

I suffered for 25 years with cough, and spent hundreds of dollars with doctors and for medicine to no avail until I used Dr. Bell's Pine Tar Honey. This remedy makes weak lungs strong. It has saved my life.—J. B. Roswell Grantsburg, Ill.

It has been demonstrated repeatedly in every state in the Union and in many foreign countries that Chamberlain's Cough Remedy is a certain preventive and cure for croup. It has become the universal remedy for that disease. M. V. Fisher of Liberty, W. Va., only repeats what has been said around the globe when he writes: "I have used Chamberlain's Cough Remedy in my family for several years and always with perfect success. We believe that it is not only the best cough remedy, but that it is a sure cure for croup. It has saved the lives of our children a number of times." This remedy is for sale by J. T. Day, Druggist.

Yellow fever still lingers in some localities in the South. New cases are still being reported at Key West.

Lung Irritation

is the forerunner to consumption. Dr. Bell's Pine Tar Honey will cure it, and give such strength to the lungs that a cough or a cold will not settle there. 25¢. at all good druggists.

Will Colvin, of Trimble Bros., Penny, with White & Day, Winchester, and Jim McQ, representing a Lexington hardware house, were in town Sunday evening.
